

# **Reliance Industries Limited - Annual Business Report**

## **Executive Summary**

Reliance continued to diversify with strong performance in telecom (Jio) and retail segments, while its energy business faced global headwinds.

## **Financial Highlights**

Revenue for FY2025 stood at INR 8,50,000 Cr with growth in retail and digital services. Oil & Gas margins were affected due to global crude price fluctuations.

## **Future Outlook**

Reliance aims to expand aggressively in green energy and 5G infrastructure. The outlook is positive, driven by consumer and technology sectors.
